

## Five Tips to Ensure Our Writing Habits Reflect Our Faith

1. Start each day reaching for the Word before flipping on our device to *write* a word. Our battles are fought on our knees.
2. Glorify God by learning the craft, all of it not just the easy stuff. Master the hard techniques.
3. Thank Him for do-overs, rewrites, bad reviews, and rejections. Celebrate that our performance in the publishing industry doesn't have a thing to do with His love for us or our mansion in heaven.
4. Help other serious writers by encouraging them and pointing them in the right direction.
5. Accept social media is not about us but a means of showing care for others by establishing genuine relationships.
